APPLIED AIR® warrants all APPLIED AIR® products to be free from defects in materials or workmanship, under normal use and service, for a period of twelve (12) months from date of shipment, unless a start-up form is on file and accepted by APPLIED AIR® in which case the warranty is twelve (12) months from date of start-up, or eighteen (18) months from date of shipment, whichever occurs first. Said start-up form shall signify that the equipment has been properly started and adjusted, and is operating under normal conditions, prescribed ratings and specifications, and was installed by qualified personnel in accordance with APPLIED AIR® instructions and local codes and ordinances.

APPLIED AIR®'s obligation under this warranty is limited to the repair or replacement at its option, of any part or parts which, upon APPLIED AIR®'s examination at its factory, are shown to be defective or at APPLIED AIR®'s option, the return of the purchase price to the purchaser. Correction of such defects by repair or replacement, or, at APPLIED AIR®'s option, the return of the purchase price shall constitute fulfillment of warranty obligations to the purchaser. This warranty does not cover corrosion or normal deterioration, or any transportation or labor charges paid for replacement of parts, adjustments, repairs or any other work. All replacement parts shall be shipped F.O.B. from APPLIED AIR®, Dallas, Texas, and all parts returned to APPLIED AIR®'s factory shall be at buyer's expense. Replacement of all parts hereunder shall not operate to extend the original warranty period as to any part, including replacement parts supplied hereunder.

This limited warranty shall be void if the equipment has been subjected to misuse, negligence, free chemicals in the system, improper maintenance or is operated contrary to the manufacturer's recommendations, or if the serial number has been altered, defaced or removed. Buyer assumes all liability for damages resulting from such handling, possession or use of the product.

No representative of Applied Air® or its distributors or dealers is authorized to assume for us any obligation or liability in connection with this product, nor to alter the terms of this warranty in any way.
